Dear Leeanne and the team at Gleamz Cleaning,

Wow! What wonderful friends to Homes of Hope you are!

We were overjoyed to receive your support of our Home Build Project 2014. Thank you so much for this as it has enabled us to carry out the much needed changes in our home! You would have loved to see the faces of the children when they returned! Eyes wide open, smiles from ear to ear, their excitement hardly contained. It was very moving!

So on behalf of all the children and team I'd like to express our HUGE appreciation for this donation, it will be an **enormous** benefit to the children in our care – THANKYOU SO VERY MUCH!!

With warmest regards

Hilary Price
